Disclaimer: Golden Valley Memorial Healthcare's participation with any product or insurance plan is subject to change without notice. Additionally, insurance companies offer a variety of plans and may change the names and benefits at any time. Your level of coverage depends on the specific benefits outlined in your plan.

To ensure that Golden Valley Memorial Healthcare and its providers are in-network, it is your responsibility to verify that Golden Valley Memorial Hospital and Golden Valley Medical clinics are participating providers, and your benefit plan allows you to access our providers and services the day of a visit, test, treatment, and/or admission. Contact your insurance plan to verify coverage with your providers.
